CHEROKEE BILL'S

Brother Kills the Man Who Captured Him—Shot as He Alighted From a Train.

Fort Gibson, I. T., April 20. Ike Robinson, the man who captured Crawford Goldsby, alias Cherokee Bill, came in on the 10:30 train this morning. He had only alighted on the platform when he was shot and killed by Clarence Goldsby, 21-year-old brother of Cherokee Bill. Not less than two hundred people were on the platform when the shooting occurred. Goldsby picked up the dead man's rifle. Fifty shots were exchanged between him and the people about. Only one shot took effect, a negro being wounded in the face.

The Cherokee freedmen's payment is going on here, and 5000 negroes, whites and Indians are camped around the town. Excitement is high, but trouble was averted.

Carload of Cattle Killed.

Wichita, April 20.—On the Santa Fe, near Orlando, O. T., today a heavily-loaded stock car that had just been loaded at that station started down grade and, gaining momentum as it flew, crashed into the east-bound freight and piled dead cattle all over the engine. Every animal in the car was instantly killed.

TURKO-GRECIAN WAR.

Desperate Fighting—Greek Loss Put at 1000, Turkish Losses Greater. King George at Front.

Athens, April 20.—There was renewed fighting between the Turks and Greeks at Milouna pass yesterday. It was not severe in its description, but details are not obtainable here. Firing ceased at 5 o'clock yesterday evening. The total Greek loss in the various engagements at Milouna pass is estimated here at 1000 killed and wounded. The losses of the Turks are declared to be much greater than those of the Greeks. The Greek diplomatic agent at Cairo has been given his passports. All Greeks have been ordered to leave Egypt within a fortnight.

KING GEORGE IN THE FIELD.

Rome, April 20.—According to a dispatch to Messagero from Athens dated today the forces of the Greeks and Turks in the fighting which has taken place in the mountain passes aggregate 20,000. The dispatch adds that Crown Prince Constantine assumes supreme command of the Greek force that will fight the Turks today. It is also announced that King George of Greece leaves Athens for the frontier today.

GREEKS FALL BACK.

Ellassona, April 19.—The Turkish artillery this afternoon began cannonading Tyravo, a Greek town to the northwest of Larissa, only ten miles from the Greek headquarters. The Greeks have fallen back on Tyravo. The whole chain of mountains from Tichaisza to Milouna pass is now in possession of the Turks. The last brush on the hills was very brief, the Greeks making but very little resistance. The dash of the Turks was irresistible. It is expected that a general advance of the Turkish army will take place tomorrow (Tuesday) morning.

STUBBORN RESISTANCE.

Athens, April 20.—Fighting between the Greeks and the Turks was resumed this morning at Reveni, not far from Tyravo, northwest of Larissa. A big battle is in progress. The Turks are attacking in a still greater force than they did yesterday, but the Greeks are making a stubborn resistance.
